PORCELAIN COLLECTION

Just as dance our collection  
is sensual, unique line, which evokes a passion and gives  
a story to the food on the plate itself.

**PORCELAIN COLLECTION** *designed by Miroslav Machek*

The company's Art Director, Miroslav Machek, concentrates mainly on porcelain and crystal glass. His motto is combining design, function and mass production. With his vision, technical expertise and knowledge of the limits of production machines, he creates a design that is accessible to all. His products are regularly exhibited at trade fairs at home and abroad.

## *Flamenco* DecoLab

As the time goes by and the new technologies have been developing we are also trying to keep up with the times to bring always something new as for our customers as for the market. We do believe the new digital printing machine is offering a new opportunity for our team of designers and challenge for the production to come up with brand new decorations to surprise the market and to break the limits with the new technique again.
