G. Benedikt

Karlovy Vary company of G.Benedikt ranks among our most famous porcelain factories. It was established by Benedikt brothers in 1882 and its original name was Gebrüder Benedikt and its non-interchangeable monogram has remained the same up to the present day. They are not only original shapes and attractive decors which gained trust of customers all over the world, but G.Benedikt porcelain has extraordinary mechanical ruggedness, which is documented by its preference at leading Czech and foreign hotels and restaurants. Trust tradition of the G.Benedikt mark and you will get a guarantee of the best quality and more than 135 years of experience.
